CTE/HS Location Benefits

Pittsburg

Canaan

Colebrook

Business program in HS	Business program in HS	Business program in HS
Woodworking shop	Woodworking shop	Woodworking shop
Fire station nearby	Fire station nearby	Fire station nearby
Town forest near school - Johnson Memorial Forest at Murphy Dam	Located closed to community forest (400 acre land lab)	Community partners for business' - school to work programs
Community partners - tourism	Closest to nursing home (LNA program)	Hospital
Potential for early childhood development	45th Parallel	45th Parallel
	Auto program space available	Auto program
	Border patrol station - Criminial justice program	Banking
	Two houses available for building trades	
	Sugar house	
	Classroom space in comunnity forest	

Single High School Location

Pros / Benefits

reduction of staff and buildings increases financial efficacy which frees resources for increased offerings

Increase number of students taking CTE offerings.

Increases class size

Reduces duplication of courses and potentially offers new courses

Streamlines policies and procedures

Reduces staff - wouldn't need to hire as many within a curriculum area, could increase quality - easier to fill positions

Opens up potential for higher quality

Alignment and collaboration of curriculum across all schools

More money to spend per class

More cost effective purchases

Reduce administrative costs

Extra curricular activities - full teams(JV and Varsity), full chorus, full band, full drama (more numbers within as wished by the students)

Impact on athletes playing - increase in school spirit

Increase diversity of the student body

Student support services in one location

Reduces segregation of College bound and CTE students

Easier to schedule CTE offerings

Allows CTE to be part of the culture

College bound students can be more exposed to CTE environment

Con/Issues

Primary goals - issues with achieving these goals are

All HS under 1 roof - reduces choices they need to make - between class options and miss out on other opportunities

Loss of HS in two towns

Maximize increase in offerings it would/could create need for late bussing

Need to deal with extra(left over) equipment

NHIAA participation **may** be an issue depending on the location (if it was Canaan)

Reduces staff (loss of jobs)

Increased travel time for students

Transition planning

Community unhappy and uncertainty

Potential for too many students in a building??? Depending on location and/or other grade levels in the building.

Variance in tax values and how it's funded may/or may not be an issue

How to we protect staff retirement programs
