

CRCC Monthly Meeting Agenda - January 2022

Location: Stewartstown School, 6:00PM, Thursday January 6, 2022

Welcome - Getting Grounded, Review Agenda

Review and Discuss Options D & E

- Review Option D
- Review Option E
- Review Articles of Agreement

Poll Vote

- Raise your hands if you favor presenting Option D to the voters in your school district, so they have a vote to accept or reject Option D.
- Raise your hands if you favor presenting Option E to the voters in your school district, so they have a vote to accept or reject Option E.
- Raise your hands if you favor presenting no option to the voters in your school district, so that they do not have a chance to accept or reject a regional district.
- Poll results:

Formal Vote (voting members only)

If we elect to continue and present one of these options, the motions will be as follows:

Motion 1: Planning Committee makes the Following Findings:

I move that the Upper Connecticut River Valley Interstate School District Review Committee make the following findings:

- 1. That the establishment of an interstate school district in the Upper Connecticut River Valley is in the best interest of all 6 proposed member school districts, allowing for better curricular and educational opportunity for the regional community, while benefiting from an economy of scale;*
- 2. That proceeding forward with the establishment of an interstate school district in the Upper Connecticut River Valley through the approval process at the State Boards in each state and through a formal vote of the six (6) proposed member school districts at a Special Meeting will afford the citizens of the six Districts with the opportunity to determine whether they wish to establish an educational and financial relationship among the six Districts.*

(Planning Committee Voting Members vote on motion.)

Motion 2: Planning Committee makes the following Motion:

I move that the Upper Connecticut River Valley Interstate School District Review Committee approve the plan for establishing the Upper Connecticut River Valley Interstate School District in accordance with the New Hampshire-Vermont Interstate School Compact, approve the Articles of Agreement as well as Plan ___ as presented and discussed on January 6, 2022, and to forward the Articles of Agreement to the NH and VT State Boards of Education of approval, so that the six proposed member school districts may proceed with voting on the establishment of the Interstate School District, commencing on July 1, 2023, at a Special Meeting in the future.

Planning Committee Voting Members vote on motion.
