

SAU7 & Canaan Schools
Connecticut River Collaboration

Questions for each board to answer individually and bring back to the group:

1. What are your boards three to five year goals in regards to collaboration?
2. What are you looking to gain from collaboration efforts?
3. How can these efforts help your school?
4. What are your school's strengths? (To identify how you can help other schools.)
5. What are your school's vulnerabilities? (To identify how others can help your school.)
6. How far is your board (and community) willing to go with collaboration efforts?
7. What are your non-negotiables? (What are you not willing to do?)
